

# TEST RESULT SUMMARY

## EUROPEAN STANDARD EN 55014-2: 1997 Category I Equipment

MANUFACTURER'S NAME Performance Design Incorporated

MODEL NUMBER(S) / DESCRIPTION CI4170 - Paper Punch Machine

MANUFACTURER'S ADDRESS 2350 East Braniff  
Boise, ID 83716

TEST REPORT NUMBER WC400764.3

TEST DATE(S) 18 March 2004

Based upon review of the product specification at TÜV Product Service Inc, the above-mentioned unit is in compliance with the electromagnetic compatibility immunity requirements for Category I Equipment as defined in European Standard EN 55014-2: 1997. Because the equipment has no electronic control circuitry, testing to EN 55014-2 is not required.

It is the manufacturer's responsibility to assure that additional production units of this model are manufactured with identical electrical and mechanical characteristics.

TÜV Product Service Inc, as an independent testing laboratory, declares that the equipment as specified above conforms to the immunity requirements for Category I Equipment as defined in European Standard EN 55014-2: EMC - Requirements for Household Appliances, Electric Tools and Similar Apparatus, Part 2: Immunity - Product Family Standard.
